

*Basically, only relationships
between people
generate success !*

Strategie **Agentur.at**

Also a Startup, a project or a company are „products“ that have to be properly developed, advertised and placed into the market!

Michael L. Schmid

Founder & Owner of the StrategieAgentur

„I check every offer.
It could be the offer
of my life.“

Henry Ford

- You are looking for marketing & strategies for projects / companies / Startup's / products ?
- You are looking for markets, business contacts and synergy partners ?
- You are looking for unique ideas & innovations ?
- You want to find a way to get funding and grants ?
- You are looking for specialists for your project realization ?
- You are looking for partners for capital, key-account, technologies, etc.?
- You want to bring innovations in your business ?

Strategie Agentur.at

**Our commitment to your visions and goals
will be treated by us with a big focus.**

**Whether company, project or product -
professional competence is only a tool.**

**Much more important is our identification
with your challenges.**

**Take us at our word!
„Let´s talk about it“**

**Many successful companies, projects
and products were established due
a very simple reason ...**

**... to be at the right time, with the right
idea and the right image, professionally
prepared at the right market ...**

**... this is not dependent on chance. This is
what we can develop for your product,
project or company / Startup !**
